

Gunter Youth Association Scholarship Application & Instructions

The Gunter Youth Association is a non-profit organization created and maintained for the youth of Gunter. Our purpose is to provide a safe and fun environment for which all children can participate and develop their athletic ability. With this in mind, we offer a scholarship program for parents or guardians requiring assistance with the required registration fees.

What it covers: The Gunter Youth Association awards scholarships to families based on financial need and the number of children participating. The scholarship award covers 50% of the registration fee only. All expenses related to the cost of participation are not included in the registration fee are the responsibility of the parent or guardian. Examples of related costs that would be the sole responsibility of the parent or guardian are practice uniforms or apparel, shoes / cleats, equipment, mouth pieces (for football only) and uniform items that are not included in the registration fee.

Requirements: A minimum of four (4) hours of volunteer time in the concession stand or maintaining playing fields (for baseball only) must be completed before the 3rd week after the start of the season. Players will be removed from the team if this minimum commitment is not met by the deadline. In addition, scholarship commitments that are not met will prevent a player from participation in future sports, events, or games until the full registration fee is paid or the commitment is fulfilled.
